Old Business

- A. Heritage Consultant Form B Project Status for July – The preservation consultant funds were encumbered but Betsy has not heard from the consultant concerning completion of the contracted job.
- B. Farmer's Co-op – Future use and required improvements. Betsy will develop an outline of what should be done with the building and then we will submit the information to the Agriculture Commission and the Conservation Commission. The plaque for the Farmer's Co-op should be at the Town Hall.
- C. 2020—2021 Form B Preservation Project – We will consider the information that Carole included in an email on 6/18/2020. This included 17 Leominster St. (1900), 19 Leominster St (1908), 20 Leominster St. (1900), 50 Main St (1900), 56 Main St. (1900), Daniel Miles House 103 Turnpike Rd. (1845) and Nelson Miles House 104 Turnpike Rd. (1824).

IV. New Business

- A. June 20, 2020 Annual Town Meeting – The impression of WHC attendees is that the Old Town Hall appears to be in jeopardy with questionable support to save it from demolition.
- B. Demolition Delay Bylaw – Due to Covid restrictions, we discussed extending the request for bylaw inclusion for the May 2021 town meeting.
- C. Betsy made digital copies of slides that were taken of various historic structures many years ago by Tom Malloy.
- D. We need to make edits to the town's promotional brochure per Steve Wallace's request.
